Number of members + comment if appropriate	Approx. 90 legal entities as Full Members; 1 Associate Member
Minimum fee for consortium	The annual Fixed Fees will be €7,500 (lead metal) and €5,500 (lead compounds) in 2024; from 2025, Fixed Fees will increase to €8,100 (lead metal) and €5,950 (lead compounds) Any new member must pay its Pro Rata Share at the point of admission.
Brief description of membership profile (e.g. manufacturers, ORs, companies per legal entity etc.)	Full Membership is open to legal entities who are producers or importers of the substances managed by the Consortium. Associate Membership is open to legal entities that do not produce lead or its compounds, but are stakeholders who have a commercial interest in these substances, such as distributors or customers of the Full Members, Trade Associations representing downstream user sectors. Letters of Access (LOA) are available for purchase by non-members, for the purpose of complying with EU and UK REACH registration duties. Licence To Use (LTU) agreements are available for companies or Consortia who would like to use the Consortium's data for read-across to non-Consortium substances for the purpose for REACH registration. LTU agreements are also available for companies and Consortia who wish to use the Consortium's data for compliance with non-EU legislation such as K-REACH and KKDIK.
Status and Comments	
Major review of agreement and structure (if relevant)	N/A
Support on REACH-type regulations (e.g. Korea, Turkey, UK)	The Consortium manages the UK REACH Registration of its substances, where applicable. LOAs are available to non-members for the purpose of UK REACH registration. LTU agreements are available for companies and Consortia who wish to use the Consortium's data for compliance with non-EU legislation such as K-REACH and KKDIK.
